

RV GODDESS: Orange Bourbon Sour

One of my favorite cocktails. Serve in an old fashioned/rocks glass, over plenty of ice. Garnish with an orange slice. The pitcher will serve 6 to 8 cocktails, depending upon how much ice is in the glass.

For one cocktail:

2 oz. bourbon (or Jack Daniels Tennessee Whiskey)

2 oz. orange juice

1 Tablespoon fresh lemon juice

For a small pitcher:

1½ cups bourbon

1½ cups orange juice

¼ cup fresh lemon juice
